Parque da Floresta

Tucked away in the folds of the Western Algarve countryside is a secret gem waiting to be discovered ... Parque da Floresta Golf and Leisure Resort, the Vigia Group's flagship development in the region and an ideal holiday location for couples and families

Encompassing one of Europe's most picturesque golf courses, Parque da Floresta has everything you could wish for in the way of holiday activities combined with away-from-it-all relaxation in a truly magnificent setting. At its heart is Spa Floresta, the Algarve's leading health and beauty hydro offering all the latest treatments and most up-to-date fitness facilities.

Dining options are varied. The Spike Bar, Bowling Clubhouse and Bistro are open daily for drinks and lighter meals, while there's a take-away service for a range of home-made pizzas and traditional spicy chicken piri-piri available at the Tennis Bar. For evening meals the renowned 'O Parque' Restaurant offers a mouth-watering à la carte menu.

Lovers of golf will be enthralled by the challenging yet friendly 18-hole par 72 course, which winds its way magically through the resort. Refine your swing and other techniques at the Vigia Golf Academy, which boasts a state-of-the-art interactive video system. Guests can enjoy generous discounts on green fees.

Other on-site activities include tennis, bowls and archery, while horse riding in the nearby Costa Vincentina Nature Reserve, mountain biking, jeep safaris and water-based sports can also be arranged.

There's a special welcome for children between the ages of four and eight during summer school vacations at the fantastic Floresta Fun Club. And for older children, a full programme of junior sports is available.

Parque da Floresta also makes an ideal base for discovering the hidden treasures of the Western Algarve.

Children especially welcome at the professionally supervised Floresta Fun Club
